Certificate of Higher Education
Ordinary Degree
Foundation Degree
Diploma of Higher Education
Graduate Diploma

The award of Distinction and Merit at Postgraduate Level may be made for the following:

Postgraduate Certificate
Taught Masters Degree
Postgraduate Diploma
Integrated Masters Degree

Classification of Degrees with Honours are:

First class
Second class, upper division
Second class, lower division
Third class

Levels

The level refers to the level of achievement expected for all students gaining an award as described in the Framework of Higher Education Qualifications (F H E Q). It applies to all English Universities.

Standard Grade Schemes

Undergraduate Awards

70 to 100 is an A
60 to 69 is B
50 to 59 is C
40 to 49 is D
0 to 39 is Fail

Foundation Degree & Postgraduate Awards

70 to 100 is a Distinction
60 to 69 is a Merit
40 to 59 is a Pass
0 to 39 is a Fail

The standard scheme may not apply for those students studying at Collaborative Partner Institutions. The above standard scheme applies to the majority of courses. However, some courses may have an approved exemption to the University's standard pass threshold mark and apply a higher pass threshold. Please consult your administration team for further information.

Modules taken at Edith Cowan University were marked under a different grading scheme but were then converted to the University of Portsmouth's grade scheme before the award was issued.

Pass Fail Modules

Pass Fail modules will be identified by the suffix of an * against the module code. Where 'Pass' is indicated under "Decision" the student is deemed to have met the learning outcomes of the module, therefore no percentage mark or grade is awarded.

Decisions

Pass	means has met learning outcomes of module
Passed after Second Attempt	means did not pass the module at the first attempt but has passed after submission of a second attempt
Passed after Repeat Assessment	means did not pass the module at the first attempt but has passed after repeating the module
Compensated Pass	means did not meet the learning outcomes through assessment but judged to have met the standard of the award due to strength of overall performance.

RPL Module

No mark, grade or decision is displayed for modules marked as "RPL". RPL (Recognition of Prior Learning) means that the student has met the necessary learning outcomes as a result of previous study or relevant experience.

Credits

The European Credit Transfer System (E C T S) compares credit values for students studying at institutions in other EU countries.

Additional Modules

Modules that have been passed but are not included in the award calculation are listed separately on the transcript and are not included in the credits gained for award total but will show in the Total Credits Gained.
